

UNITED STARZ NETBALL CLUB INC

COVID-19 Return to
Training

PARENTS DROP OFF ZONE

Please drive up to the traffic Cones and meet a committee member where that committee member will take the players' temperature.

If their temperature is under 37.3°C the player will be asked to move to the next station for sign in (please remind the player to remember the temperature reading as this will be recorded). If the temperature is above 37.3°C the player will be asked to be parked in the car with yourself and tested 15 minutes later.

If still high the player will be asked to not participate in training.

Parents are then to continue up to the grassed area and either park and remain in your car or turn around and return for pick up.

COVID-19 Return to Training

Training Sign In

Sign in for training sessions will be the next step. Walk towards the sign in station, you will be asked by a committee member your team name and your name to confirm attendance, as well as a few health questions in relation to COVID-19.

This is where you will pass on your temperature reading to be recorded. The time you entered will be recorded as well. You will be given a court number then be asked to walk into the gate via the entry side of the gate to the court. (you are to remain on that court).

This record is kept by the committee so if we have a reported COVID-19 case we can contact all participants. No contact details are held on this attendance sheet.

COVID-19 Return to Training

Training Sign Out

Once training has completed, please confirm with the committee member on the exit side of the gate your name, to confirm sign out time.

Once that's done head to the pick up zone to be collected by parents/guardian.

COVID-19 Return to Training

During Training

Each player will have a marker for their bag to be placed during training, please keep your items on individual markers for the duration of the training session.

Reminder the water cooler is closed, please bring enough water for yourselves.

NO SHARED WATER BOTTLES

You will also be requested by your coaches to sanitize your hands during the training session. The coach will have a hand sanitizer spray with them and will spray this on the player hands. If you have a sensitivity with hand sanitizer please bring your own.
